# DIALING

## LOCAL CALLS

1. Obtain the correct number from the latest issue of the telephone directory. If the listing is not found, please call "INFORMATION".
2. Do not dial out-of-town numbers.
3. Listen for the dial tone.
4. Dial the digits of the number from left to right.
5. Remove finger and let the dial return freely after each digit is dialed.
6. If a mistake in dialing has been made, replace the receiver and dial the numbers again.
7. If, while dialing, another party has come on the line, replace the receiver for a moment and then dial the number again; otherwise a wrong number may result. If, before you start to dial, you hear the dialing of another party, announce the interruption, replace the receiver and make your call later.

## TONES AND SIGNALS

DIAL TONE—A continuous hum, the signal to start dialing.

RINGING SIGNAL—A "burring" tone repeated at regular intervals.

BUSY SIGNAL—A steady "buzz-buzz" tone.

DIAL AGAIN SIGNAL—A continuous hum alternately rising and falling in pitch indicating some mistake has occurred on the call.

## TO CALL ANOTHER TELEPHONE ON YOUR PARTY LINE

To ascertain the telephone number of a party on your line call or dial "REPAIR SERVICE".

To call a party on the same line dial as described below for your exchange and then replace the receiver. Your telephone bell will ring. When the ringing stops, begin conversation. If no answer is received after a reasonable period, stop the ringing by momentarily lifting the receiver.

DAVIS—Dial the code number "29" followed by the last digit of your number and then the last digit of the called number.

SACRAMENTO—*Two and Four Party Lines*—Dial a special code number which you may obtain from the operator.

*Ten Party Lines*—Dial the listed number.

## PUBLIC TELEPHONES

Instructions are posted on or near telephone instruments. Please report any service difficulties or coin collection error to the operator. A charge will not be made on calls which are not completed.

# DIRECTORY FACTS

## COPIES OF THIS DIRECTORY

Use of an out-of-date directory interferes with good telephone service, as each new issue contains many changes in numbers and listings.

Simply as a matter of good service, the Telephone Company retains ownership of telephone directories.

For this reason we ask that they be given to the delivery man at the time the succeeding issue is distributed.

## ERRORS

Every effort is made to make the directory as accurate as possible.

The Company, however, assumes no liability for damages arising from errors or omissions in the making up or printing of its directories.

## DIRECTORIES OF OTHER CITIES

Telephone directories of other cities may be consulted at our Business Office.

If you desire any copies, they may be obtained at an additional service charge by arrangement with the Business Office.

# OTHER MATTERS

## IDENTIFICATION OF EMPLOYEES

Employees of the Company are supplied with identification cards. If you doubt the right of a person to represent himself as an employee of this Company, please call the Business Office.

## RATES

Rates and practices included in this directory are based upon those in effect at the time this directory was closed for printing and are subject to such changes as may be made from time to time.

## ATTACHMENTS TO TELEPHONES

In the interest of good service, please do not use any devices on telephone equipment except those furnished by the Company. The devices claimed by agents to eliminate noise, to destroy germs, etc., are usually detrimental and interfere with good service.
