### WHY SOME TELEPHONES REPORT *busy!*

Conversation finished but receiver left "off the hook" — forgotten.

Books, ash trays, ornaments can keep it "off the hook" too.

For full use of your telephone, please keep your instrument "hung up" — ready for service.

### Busiest Book in the World

The familiar telephone directory is America's No. 1 reference book. It is the busiest book in the world because it is helpful to practically everyone.
