A store may not immediately come to
the mind of a prospect when special ser-
vices are desired, such as are offered by a
Beauty Salon, Radio or Watch Repairing
Department; Many establishments, realiz-
ing this, advertise under several classifi-
cations in the Classified Directory. Thus
they direct more business their way.

Save time and trouble by looking in the
Classified Telephone Directory first. It
tells you who sells things, who mends
things, who does things.

DR. E. LONNING D. C.
Formerly
DRS. DAVID and LONNING
2209 J Dial 2-3726

**20 Years Success... Sacramento's Leading
X-RAY Chiropractor**

In my many years of experience I have been privileged to successfully treat thou-
sands of patients, many of whom had practically given up in despair before coming to
me, yet I point with pardonable pride to an unequalled record of accomplishment.

This is due to the fact that I do not accept a patient without
first making a complete spinal analysis, and, if necessary, by
X-Ray to locate and determine the cause of his condition. To
accomplish this, my office is provided with the most modern
X-Ray equipment, which makes a permanent film record en-
abling me to make an accurate analysis and also to study your
progress while undergoing treatment. All guesswork is
eliminated.

I employ ONLY Chiropractic adjustments. They reach the
cause of your condition directly and correct it by relieving the
pressure on impinged nerves. My adjustments are gentle, as
evidenced by the number of children I treat.

You are invited to consult me and discuss your case freely,
WITHOUT OBLIGATION. If I can benefit you, I will frankly
tell you so. If I cannot, I will be equally as frank. Your health
is at stake, why not talk over your con-
dition with me?
