MOTO-POWER POWER LAWN MOWER—
McNABB & SON 2930 L. 5-3533

A store may not immediately come to
the mind of a prospect when special serv-
ices are desired, such as are offered by a
Beauty Salon, Radio or Watch Repairing
Department. Many establishments, realiz-
ing this, advertise under several classifica-
tions in the Classified Directory. Thus they
direct more business their way.

Save time and trouble by looking in the
Classified Telephone Directory first. It
tells you who sells things, who mends
things, who does things.

PLEASE LISTEN
for the DIAL TONE
BEFORE DIALING

That "dial tone", a
steady hum, is the signal
that the equipment is
ready to receive a call.
It corresponds to an
