If you're not sure of a telephone number,
 please try the Directory first. The chances are
 that the number is listed, and if you can avoid
 that unnecessary call to Information, it's just that
 much time saved all around.

More and more, business men are finding
 that it pays in good will to place and
 receive their telephone calls with as little
 time-lag for the other fellow as possible.
 They place their own calls or stay close
 to the telephone when they tell someone
 else to do it.
