"The Piano Man Since 1909"

The House of Pleasant Dealing

When considering an automobile or a piano, it is a well-known fact that real value—in every sense of the word—cannot be judged alone by price tag figures.

The asking price itself is no barometer of real worth. Almost all of us must consider price, but our ultimate aim is to obtain the best value possible for the money which we are about to spend.

Be sure you are dealing with a reliable organization that is well established in your vicinity. Such, is our organization, and we will give you an honest transaction from every standpoint and respect your interests. Our customers recommend us to others.

The LESTER PIANO MFG. CO., one of the largest and most progressive, was established in 1888. One of the few manufacturers now owned, controlled and managed by direct descendants of the original founders.

Today, the LESTER is ranked as one of the finest pianos made in America, and one of a few highly artistic instruments used and endorsed by many of the world's leading artists and musicians. See "LIFE", "SAT. EVE. POST", "LADIES' HOME JOURNAL", "WOMAN'S HOME COMP.", "GOOD HOUSEKEEPING", ETC.

The LESTER consists of all sizes up to the 9 foot grand.

All LESTER PIANOS carry the manufacturer's name and a 10 year guarantee cast into the iron plate.

COME IN AND SEE US. Get the details of our "NO INTEREST" plan. You can buy a piano most any way you wish.
