Listen for the dial tone—dial carefully—
draw the dial all the way, lift your finger
and let the dial go back to position nat-
urally, without forcing. These simple steps
enable you to dial telephone numbers
speedily and with precision.

Telephone service is a friendly service.
The people who operate and maintain it
take a genuine satisfaction in serving you
pleasantly and well. People who use the
telephone a great deal find that friendli-
ness is an instinctive habit. The telephone
helps folks to know each other better.
