Please make sure your telephone receiver
is on the hook when it is not in use.
Anything that causes the receiver to be out
of place interrupts your service—perhaps
causes you to lose calls that are important.

At times there may be a delay before
you get the operator. That's because never
have so many people made so many tele-
phone calls as today. Our operators are
doing all they can to provide the prompt
and courteous service you have been
accustomed to.
