Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home, yet their cost is very small if they are installed during construction.

Telephone service is a friendly service. The people who operate and maintain it take a genuine satisfaction in serving you pleasantly and well. People who use the telephone a great deal find that friendliness is an instinctive habit. The telephone helps folks to know each other better.
