Telephone men in all parts of the Bell System have had long experience in working together. Tools, equipment, methods of tackling the job and the "language of the business" are the same north or south, east or west. This nationwide use of method and spirit means a telephone service of the utmost dependability.

Friends may not know how to reach you if the telephone at your residence is listed under another's name. You may have a separate listing under your own name for small cost—and convenience that is often great.
