More and more, business men are find-  
ing that it pays in good will to place and  
receive their telephone calls with as little  
time-lag for the other fellow as possible.  
They place their own calls or stay close  
to the telephone when they tell someone  
else to do it.

Always listen for the dial tone before you  
dial. It's a steady humming sound  
that tells you the equipment is ready to  
take your call.

If you don't trade  
with us  
we both lose
