More and more, business men are finding that it pays in good will to place and receive their telephone calls with as little time-lag for the other fellow as possible. They place their own calls or stay close to the telephone when they tell someone else to do it.

**WHY SOME TELEPHONES
REPORT busy!**

Conversation finished but
receiver left "off the hook"
—forgotten.

Books, ash trays, ornaments
can keep it "off the hook"
too.

For full use of your telephone,
please keep your instrument
"hung up"—ready for service.
