Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady hummm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

Please  
**DIAL CAREFULLY**

Careless dialing puts other people to needless bother—and delays your call. Please make sure of the right number, listen for the dial tone, then dial carefully.

Have You Thought  
Of having a separate business listing in the Telephone Directory under your own name? The charge for these extra listings is small, the convenience often great.
