EXPLOSION IN OVEN?
 If you burn the inside of the oven
 with an exploded potato or something,
 soak a cloth in ammonia and let it stay
 on the burned places an hour or so,
 after which you can scrape the spots
 clean without harming the enamel.

Here's how you may be sure of get-
 ting your party more often when you
 dial:
 1. Look up your number in the latest
 directory.
 2. Listen for the steady hummm of the
 dial tone.
 3. Keep your eye on the dial.
 4. Wait a minute before you decide
 your party isn't home.
