More and more, business men are finding that it pays in good will to place and receive their telephone calls with as little time-lag for the other fellow as possible. They place their own calls or stay close to the telephone when they tell someone else to do it.

When you call somebody by telephone. PLEASE DON'T "HANG UP" TOO SOON "Play Ball" with him by giving him time to answer.

SEWING ON BUTTONS
 While sewing a button on a garment keep a pin stuck between the cloth and the button. This will leave enough play for easy buttoning.
