A thoughtful party-line user answers
her telephone bell promptly... places
her own calls accurately, so that they
do not have to be placed again...
does not monopolize the telephone at
the inconvenience of others... teaches
children, too, the little telephone kind-
nesses... and when her telephone is
not in use, sees that it is hung up.

KNOW THE Number?

We'll be able to serve you
faster on Long Distance calls
when you do!

Telephone men in all parts of the
Bell System have had long experience
in working together. Tools, equipment,
methods of tackling the job and the
"language of the business" are the
same north or south, east or west. This
nation-wide unity of method and spirit
means a telephone service of the utmost
dependability.
