Good neighbors are considerate party-line users. Remember these party-line golden rules:

- Space your calls instead of making several of them without a break.
- Talk only as long as you have to on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear to receive your call.
- Ask your youngster not to monopolize the telephone.

PLEASE LISTEN for the DIAL TONE BEFORE DIALING

That "dial tone", a steady hum, is the signal that the equipment is ready to receive a call. It corresponds to an operator's "Number, please?"
