CARRY COLOR SAMPLES
When a wall is painted, have the painter paint the color on a small piece of board. Then take this with you when you look at draperies, furniture, rugs, pictures, etc., for that room.

TO REPAIR LINOLEUM
If you have a break in the edge of linoleum, take a good-sized piece of cloth (to reach well beyond the break at all points), cover it with glue and put it beneath the linoleum. Weight it down with heavy objects until it has had time to dry and set.
