Don't forget to plan for concealed
telephone conduit and convenient
locations for telephone outlets when you
build your new home. These built-in
telephone facilities add real value to a
home, yet their cost is very small if they
are installed during construction.

**TO BE HEARD
clearly**
... please speak directly
into the Telephone with
your lips just clearing the
mouthpiece.

Party-Line Painters:
1. Space your calls instead of making
a whole series.
2. If yours is an emergency call and the
line is in use, explain the circum-
stances to the person using the line.
3. If you are calling from a dial tele-
phone always make certain the line
is clear before you dial.
4. When the children use the telephone,
ask them to be considerate, too.
5. Replace the receiver properly when
you finish your call.
