

YOUR TELEPHONE DIRECTORY

COPIES OF THIS DIRECTORY—Use of an out-of-date directory interferes with good telephone service, as each new issue contains many changes. As a matter of good service, the Telephone Company retains ownership of telephone directories. For this reason we ask that they be given to the delivery man at the time the succeeding issue is distributed. **ERRORS**—Every reasonable effort is made to make the di-

rectory as accurate as possible. The Company, however, assumes no liability for damages arising from errors or omissions in the making up or printing of directories. **DIRECTORIES OF OTHER CITIES**—Telephone directories of other cities may be consulted at our Business Office. If you desire copies, they may be obtained at an additional charge by arrangement with the Business Office.

ON THE COVER

The State Capitol of California, surrounded by a forty acre park containing hundreds of varieties of trees and shrubs, dominates the skyline of Sacramento. The cornerstone was laid on May 15, 1861, nearly eleven years after California's admission to the Union on September 9, 1850.
