EXPLOSION IN OVEN
 If you burn the inside of the oven with an exploded potato or something, soak a cloth in ammonia and let it stay on the burned places an hour or so, after which you can scrape the spots clean without harming the enamel.

 "WHERE TO GET SERVICE"
 Hertz Rent-A-Car Stations 2121-13th-HU 1-4803

Good party-line neighbors are considerate party-line users. Remember these golden rules:
 • Space your calls instead of making several without a break.
 • Talk only as long as necessary on each call.
 • When you finish talking replace the receiver properly.
 • Make certain, if you are using a dial telephone, that the line is clear before you dial.
 • Ask your youngsters to be considerate, too.
