NEWSPAPER FIREWOOD

To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked over-
night in water, squeezed out
and allowed to dry for several
days. The tighter they are
squeezed, the better firewood
they make.

For speed and accuracy on your
dial calls, listen first for the dial
tone. Dial each letter and digit
carefully, drawing the dial all the
way to the finger stop. Lift your
finger each time to let the dial re-
turn to position naturally.
