 Good party-line neighbors are considerate party-line users. Remember these golden rules:  
 • Space your calls instead of making several without a break.  
 • Talk only as long as necessary on each call.  
 • When you finish talking place the receiver properly.  
 • Make certain, if you are using a dial telephone, that the line is clear before you dial.  
 • Ask your youngsters to be considerate, too.

In these busy days when saving time is so important, more and more telephone users are following the thoughtful way of answering the telephone: "Harry Smith speaking." Such an introduction establishes identity, saves time and makes a good impression.
