Good party-line neighbors are
 considerate party-line users. Re-
 member these golden rules:
 • Space your calls instead of making
 several without a break.
 • Talk only as long as necessary
 on each call.
 • When you finish talking replace
 the receiver properly.
 • Make certain, if you are using a
 dial telephone, that the line is
 clear before you dial.
 • Ask your youngsters to be con-
 siderate, too.

KEEP LIGHT FROM MILK
 Keep light from milk to prevent loss of riboflavin, its most important vitamin element. If you don't meet the milkman, leave out a covered, insulated box for bottles of milk. Remember that light hurts milk more than heat does in a short time.
