NEWSPAPER FIREWOOD
To make a small grate or stove
fire, or to kindle a big one, use
old newspapers which have been
rolled up tightly, soaked over-
night in water, squeezed out
and allowed to dry for several
days. The tighter they are
squeezed, the better firewood
they make.

Here's how you may be sure of
getting your party more often
when you dial:

1. Look up your number in the lat-
est directory.
2. Listen for the steady hummm
of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you de-
cide your party isn't home.
