When you want to telephone

LISTEN FOR THE 'DIAL TONE'

—dial carefully—turn the dial all the way and then let it go back to position naturally, without forcing. These simple steps enable you to dial telephone numbers speedily and with precision.

The Pacific Telephone and Telegraph Company

FRONTIERS •• beyond

There are always new frontiers to telephone service, problems to be solved, improvements to be made, and there will always be Telephone Pioneers pushing on to new achievements.
