Good party-line neighbors are considerate party-line users.

Remember these golden rules:

• Space your calls instead of making several without a break.

• Talk only as long as necessary on each call.

• When you finish talking replace the receiver properly.

• Make certain, if you are using a dial telephone, that the line is clear before you dial.

• Ask your youngsters to be considerate, too.

Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.

2. Listen for the steady hummm of the dial tone.

3. Keep your eye on the dial.

4. Wait a minute before you decide your party isn't home.
