**TO PAINT SCREENS**  
 To paint a screen, or cover it  
 with insect repellent, fasten a  
 piece of old carpet to a block of  
 wood. By using this implement in-  
 stead of a brush, you will save  
 lots of time and avoid lots of  
 splattering.

**TO PAINT SCREENS**  
 To paint a screen, or cover it  
 with insect repellent, fasten a  
 piece of old carpet to a block of  
 wood. By using this implement in-  
 stead of a brush, you will save  
 lots of time and avoid lots of  
 splattering.
