As one friend TO ANOTHER

Please speak distinctly, when you telephone,
with lips close to the mouthpiece. It is just as
important to talk directly into the transmitter
as it is to keep your ear close to the receiver.

STICKY PROBLEM

When cutting marshmallows or

dates, dip kitchen shears frequently

in warm water to prevent sticking.

TO REPAIR LINOLEUM

If you have a break in the

edge of linoleum, take a good-

sized piece of cloth (to reach well

beyond the break at all points),

cover it with glue and put it be-

neath the linoleum. Weight it

down with heavy objects until it

has had time to dry and set.

OUNCE OF PREVENTION

Walnuts tend to dry out your

baked goods, so before adding

to batter, soak in boiling water

5 minutes.

EXPLOSION IN OVEN

If you burn the inside of the

oven with an exploded potato or

something, soak a cloth in ammo-

nia and let it stay on the burned

places an hour or so, after which

you can scrape the spots clean

without harming the enamel.
