 Here's how you may be sure of getting your party more often when you dial:
 1. Look up your number in the latest directory.
 2. Listen for the steady hummm of the dial tone.
 3. Keep your eye on the dial.
 4. Wait a minute before you decide your party isn't home.

 Your Yellow Pages are an important part of your telephone service. Use them often. They help you find who buys, sells, rents, repairs.

When you want to telephone
LISTEN FOR THE 'DIAL TONE'
 —dial carefully—turn the dial all the way and then let it go back to position naturally, without forcing. These simple steps enable you to dial telephone numbers speedily and with precision.
The Pacific Telephone and Telegraph Company

Good party-line neighbors are considerate party-line users. Remember these golden rules:
 • Space your calls instead of making several without a break.
 • Talk only as long as necessary on each call.
 • When you finish talking replace the receiver properly.
 • Make certain, if you are using a dial telephone, that the line is clear before you dial.
 • Ask your youngsters to be considerate, too.

 (See Advertisement This Page)
TO PAINT SCREENS
 To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.
