Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

Additional Listings

... for the growing-up son or daughter, for the relative or friend who lives under your roof ... what nicer thought than a separate listing in the Telephone Book?
