Here's how you may be sure of
 getting your party more often
 when you dial:
 1. Look up the number in the latest
 directory. Write it down.
 2. Listen for dial tone.
 3. Dial carefully.
 4. Wait a minute before you de-
 cide your party isn't home.

An extension telephone in
 another part of the house saves
 time and steps. The cost is small.

SPECIAL STUDIES...
 ... reveals that over 9 out of
 10 buyers consult the classified
 telephone directory
 when they want to buy.
 Adequate representation
 under ALL classified head-
 ings, descriptive of your
 products or services, will en-
 able them to find you easily.
