TO GLUE FURNITURE

In gluing a loose furniture joint,
remember that glue doesn't provide
strength in filling an open
space, so first put a strip of thin
cotton cloth over the piece that fits
into the mortise. Then do the gluing,
tie the joint firmly together
and let it set for 24 hours.

Party Line Pointers:

1. Space your calls instead of making a whole series.
2. If yours is an emergency call and the line is in use, explain the circumstances to the person using the line.
3. If you are calling from a dial telephone always make certain the line is clear before you dial.
4. When the children use the telephone, ask them to be considerate, too.
5. Replace the receiver properly when you finish your call.
