#### YANCEY COMPANY

30th & S-----GI 1-5255

#### TO GLUE FURNITURE

In gluing a loose furniture joint,  
remember that glue doesn't provide  
strength in filling an open  
space, so first put a strip of thin  
cotton cloth over the piece that fits  
into the mortise. Then do the gluing,  
tie the joint firmly together  
and let it set for 24 hours.
