**TO PAINT SCREENS**

To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.

When you want to telephone  
**LISTEN FOR THE 'DIAL TONE'**

—dial carefully—turn the dial all the way and then let it go back to position naturally, without forcing. These simple steps enable you to dial telephone numbers speedily and with precision.

**The Pacific Telephone and Telegraph Company**
