In these busy days when saving
time is so important, more and
more telephone users are following
the thoughtful way of answering
the telephone: "Harry Smith speaking."
Such an introduction establishes
identity, saves time and
makes a good impression.

Partly Line Painters:

1. Space your calls instead of
making a whole series.

2. If you are in an emergency call
and the line is in use, explain
the circumstances to the person
using the line.

3. If you are calling from a dial
telephone always make certain
the line is clear before you dial.

4. When the children use the telephone,
ask them to be considerate,
too.

5. Replace the receiver properly
when you finish your call.
