Two friendly telephone habits: ANSWER QUICKLY when your bell rings; HANG UP SLOWLY when you have finished your call or your party doesn't answer. In calling others, remember the called person may be almost there—so wait a few seconds longer.

TO PAINT SCREENS
 To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement in stead of a brush, you will save lots of time and avoid lots of splattering.
