Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

Have the right number when you call. It's natural to trust to memory—but when memory plays tricks with a telephone number, or is delayed. When you are not sure of a number—please look it up in the telephone directory.
