ZONE RATES

The amounts in the black circles indicate the one minute rate for zones 2 & 3 for station calls you dial direct from residence or business phones.

The amounts in the white circles are one minute nearby rates for station calls you dial direct from residence or business phones.

For rates to specific prefixes and for overtime rates, see the opposite page.

Rates are those in effect on October 11, 1985. They may change if authorized by the California Public Utilities Commission.

A19

© Pacific Bell 1985.

Nearby rates (where no zone appears) are one minute rates from residence or business phones.

Zone calling and nearby rates are 30% lower weekdays from 5 P.M. to 11 P.M. and 60% lower from 11 P.M. to 8 A.M. and on Saturdays, Sundays and certain Holidays.

Higher rates apply to station calls dialed by the Operator, collect calls, person calls, calls billed to a Calling Card or to another number and calls for time or charges. Minimum rates are \$.57 for station calls and \$3.17 for person calls.

Ask Operator for rates from Public (Coin) Telephones.

Listed below are one minute station rates when you dial direct from residence or business phones without Operator assistance, and excludes tax.

The dial direct rate to the following nearby numbers is:
