The shaded region shown on the map below illustrates the Sacramento Service Area.

Service Areas

Sacramento is in the Sacramento Service Area, the shaded region of this map, and part of the 916 Area Code.

If the community and number (Prefix) you want to call is not listed on the following page, that community is outside the Sacramento Service Area.

Pacific Bell and other Independent Telephone Companies offer local, nearby, and long distance service within the boundaries of the ten Service Areas illustrated on this map.

The shaded region illustrates your Service Area.

Dialing instructions remain the same for calls:

- In your local calling area,
- Locations in your nearby calling area,
- Long distance calls within your Service Area.

Example: A call from Sacramento to North Tahoe is within your Service Area.

Instructions for placing calls:

- Outside your Service Area and to other states can be found in the Long Distance Calling section.

Example: A call from Sacramento to Chico is outside your Service Area.

Pacific Bell cannot provide calling services between Service Areas or to other states and countries. Customers may make arrangements with any company that provides long distance service. Pacific Bell cannot recommend a particular company to you.

For your convenience the Prefix locations within your Service Area are listed on the following pages.

See the Pacific Bell Yellow Page Listings under the "Telephone Communication Services" heading for information about long distance calling systems.
