### Warning

**Give up your party line in an emergency....**

California Penal Code section 384 makes it a misdemeanor for any person to willfully refuse to immediately relinquish a telephone party line when informed that such line is needed for an emergency call to a fire department or police department or for medical aid or ambulance service. Also, any person who shall secure the use of a telephone party line by falsely stating that such line is needed for an emergency call, shall be guilty of a misdemeanor.
