The Telephone Gets You There First

If you have an appointment and will be a little late; if you have no appointment and wish to make one; if you have an order to place or confirm; if you have any matters to take up with a busy man—don't take the time and energy to call on him—use your telephone first.

By using your telephone you will save your time and his—you will avoid waits and delays—you will reach your man at once in a direct and personal way. A busy man appreciates your courtesy in using the telephone to relieve his mind. It increases your efficiency and his.

Unnecessary Trips—Waiting—Delays—Lost Time—Energy and Money—May be Saved by Using the Telephone

Isn't it Worth While to make an Extensive Use of Your Telephone?

The Pacific Telephone and Telegraph Company
