GAS REGULATORS

GAS CONSUMERS ASSOCIATION  
OUR BUSINESS

We reduce your Gas Bill 15 to 30 per cent by at-  
taching our Standard Automatic Gas Regulator to  
the house gas pipe.

This machine controls the pressure, prevents  
waste and blowing and lessens breakage of  
globes, chimneys and mantles.

On notification we stop leaks and flickering of  
lights, furnish new tips and burners free when-  
ever necessary.

The monthly charge includes the above service  
and use of our regulator.

Phone Franklin 717 467 O'Farrell St.
