

Is Your Name Listed in This Directory?

If not, you are losing a valuable service. How can your business or social friends and acquaintances reach you? This is a big city and no casual inquiry will locate you. The Telephone Directory is the most accurate business and social register, and the one used most frequently. Your name should be in it.

Before the next issue, call at one of our contract offices and arrange for your listing.

In placing calls for towns listed in this directory, subscribers will greatly facilitate the call by giving to the Operator the telephone number of the party wanted.
