

If you want to find a dealer handling a Trademarked or branded article:

Look for the heading which bears the name of the article you wish,

Or, under the heading descriptive of the product or service rendered.

In either case, cross references will direct you to the names of dealers.

The trade mark and descriptive matter relative thereto, and list of dealers, are associated with that heading.

How to Find the Telephone Number of a Business Subscriber

To find a business concern you have in mind:

First—locate the heading descriptive of the general type of business. This will be shown in its regular alphabetical order.

Second—locate the desired concern and telephone number by examining the listings appearing under the appropriate main heading.

For example, if you desire to obtain the telephone number of some individual or firm engaged in the Radio Business, turn

First—to the main heading of

Radio Business

Second—locate under that heading the listing of the individual or firm whose telephone number you are desirous of obtaining.
