Communication Services
TO FIT YOUR PARTICULAR NEEDS

The Pacific Telephone And Telegraph Co. has a solution for your communication problem, whether it be in your business or at your home. A partial list of the many time-saving and convenient facilities offered for your consideration is shown below.

TELEPHONE SYSTEMS for communication between different parts of the office, home or plant.
EXTENSION TELEPHONES in another part of the office or home.
SECRETARIAL EQUIPMENT for providing a means whereby an attendant may answer incoming calls on a number of lines when the called parties are absent.
TELEPHONE OUTLETS AND PORTABLE TELEPHONES for locations where permanently connected telephones are not required.
TELEPHONE TYPEWRITER SERVICE for instantaneous communication of typewritten messages between offices in the same building, in the same city or in different parts of the country.
LOUD RINGING BELLS for locations where noise makes it difficult to hear the ordinary telephone bell.
EQUIPMENT for the reception of telephone orders with speed and efficiency.
ESPECIALLY EQUIPPED TELEPHONES for those who have difficulty in hearing over an ordinary telephone.

A telephone call to any Bell Telephone Business Office will bring a representative who will gladly discuss with you your own particular communication problems.

TELEPHONE "JACKS" OFTEN ADD GREATLY TO CONVENIENCE

At desired points, "jacks" for a portable telephone may be installed in your home or business premises. A "plug" on the end of the portable telephone cord makes the telephone connection.

This is one of several special types of telephone service which are available for particular requirements.

THE PACIFIC TELEPHONE AND TELEGRAPH CO.
