In all your buying use the "Buyer's Guide."

YOU can secure any kind of an article or service by telephone—provided you know the proper concern to call. You know there must be several concerns supplying just the things you want, but "Who are they?"—"Where can you find them?" In all such emergencies use the "BUYER'S GUIDE."

Simply turn to the heading describing the article or service you desire and under it will be listed some firm, ready and anxious to serve you.
