Station-To-Station rates of 25¢ or less are for an initial period of 5 minutes. All Station-To-Station rates in excess of 25¢, and all Person-To-Person rates are for an initial period of 3 minutes. The Federal tax is not included in the above rates.

Rates to points not listed above and Appointment and Messenger rates may be obtained by calling "Long Distance" or dialing 211. Federal Tax. There is no Federal Tax on telephone calls for which the total charge is under 50 cents. The tax is limited to 10 cents if the charge is 50 cents and less than \$1.00; it is limited to 15¢ if the charge is \$1.00 and less than \$2.00; and to 20 cents if \$2.00 or more.

Reduced Evening and Night rates apply only on Station-to-Station calls. Whether or not the Evening or Night rate applies on a given call depends on the time at the calling station when conversation commences.

On Station-to-Station calls to Pacific Coast points (points in States of California, Nevada, Oregon and Washington, and Lower California, Mexico), reduced Evening rates are in effect between 8:30 P. M. and midnight, and further reduced Night rates are effective from midnight to 4:30 A. M. However, no Evening or Night rates are reduced below 25 cents. Where the Day rate is 25 cents or less, the Evening and Night rates are the same as the Day rate.
