Millions of Consumers Read "Buyer's Guides"

The Buyer's Guide in your hands has perfected simple, unified directory service that enables the advertiser to cover a nationwide chain of cities and towns with convenient "Where to Buy It" listings of his dealers. It has been developed as an additional service to telephone users. Buyer's Guides similar to this are in use in 6000 cities and towns.

FOR THE HARD OF HEARING

A special telephone has been developed by the Bell System for the aid of those with impaired hearing. Installed in the home or office, it amplifies the volume of sound, making it possible, in many instances, for those who experience difficulty in hearing to hear more easily. Our nearest business office will gladly give further information. Or just call our business office. THE PACIFIC TELEPHONE AND TELEGRAPH CO.
