A Bedside telephone  
saves steps,  
averts peril  
Dangers of the night—  
prowlers, fire, sickness—  
make it advisable to have  
an extension telephone.  
The cost is small. The  
convenience is very great.  
And it is a saver of need-  
less steps by day. For  
details, simply take down  
your receiver and ask for  
"Business Office."
